AFFORDABLE CUSTOM & PRIVATE TRAVEL

TRAVELLING WELL IS WELL WITHIN YOUR REACH

Travelling well is not about how much money you spend but much more about taking control of how you travel, when you travel and customizing every experience on your journey. Savvy travelers today are no longer willing to be constrained by a group of strangers on a bus or a pre-packaged itinerary – but instead are seeking more personalized experiences that create genuine and unforgettable moments.

Welcome to the new world of custom, private travel – made easy and affordable by Kensington Tours.

DISCOVER THE FLEXIBILITY & FREEDOM ONLY POSSIBLE WITH A CUSTOM TOUR

Lingering longer to watch the lion cubs play, skipping the last Italian duomo to explore an out of the way artisan studio only your guide knows about, choosing value wise hotels for the first half of your trip so you can indulge yourself on the homestretch – this is the freedom and flexibility only possible on a custom tour.

Whether you are travelling as a couple, with your family or a group of friends, Kensington's experienced staff will custom tailor an itinerary to match your travel style, your passions, your pace and your pocketbook. The result is an experience that is more personal, more rewarding and frankly, just a lot more fun.

LUXURY WITHOUT THE HIGH PRICE TAG - THE KENSINGTON ADVANTAGE

Providing unbeatable value for your travel dollar is the hallmark of Kensington Tours. It's a commitment we take seriously. We benchmark our tours against luxury operators – on average our custom tours are 20-30% less. But don't take our word for it; here's what the editors of National Geographic Adventure Magazine said:

“Luxury without the high price tag is the guiding principle on Kensington's tours.”

Introducing Kensington Antarctica - a luxury eco-camp deep in the heart of Antarctica's interior. Far removed from the cruise ship routes, this seasonal camp delivers a bespoke, once-in-a-lifetime experience you cannot find anywhere else. Perched atop a 200 foot icefall, Kensington Antarctic is as surreal as it is beautiful. Hosting up to 12 guests, this unique eco-camp is furnished in the old world opulence of African safaris, and fuses traditional materials with cutting-edge technology and modern comforts (including a celebrated chef).

Your experience is expertly guided by a team of seasoned polar explorers and distinguished naturalists and includes opportunities to hike through untouched oases, explore ice caves and tunnels, trek massive ice disturbances, cross-country ski, kite-ski, abseil into ice crevasses, rendez-vous with a fearless Emperor penguin colony of over 12,000 and even camp at the South Pole and tour the famed Amundsen-Scott South Pole Station. This is truly an experience beyond compare.

CRUISING, RETHOUGHT

CRUISING, THE KENSINGTON WAY. PRIVATE GUIDED, OF COURSE.

Kensington's custom private tours are the perfect solution for all your pre and post cruise tour needs. Spend a few days exploring in Rome before setting sail on the Med, a custom safari from the port of Mombasa, an Oslo adventure before discovering the fjords, or disembark in Turkey for a private tour of Istanbul, Cappadocia and Izmer. And, while on your cruise, skip the large group shore excursions. Let Kensington design a more personal and tailored private guided shore experience.

Wherever you make port, Kensington is there.

Kensington Tours launched Kensington Cares to give back to the communities that share their beauty and culture with our guests. Kensington supports education initiatives for marginalized children and communities. We encourage and enable Kensington Tours' clients who want to *leave a footprint* to also support the projects we have undertaken.
