## **Dear Travel Connoisseur,**

Cosmopolitan flair, world class vineyards, stunning cottage country, championship golf courses, outdoor adventure, haut cuisine, art and culture – it's hard to believe Ontario is still a well kept secret of jetsetters and Hollywood A-listers.

Here's your chance to pull aside the curtain and discover the hidden delights of an emerging hot spot.

Kensington Tours has drawn on our more than 40 years in luxury travel to design a range of experiences that showcase Ontario at its finest. This brochure is presented as a sort of amuse bouche - a delightful French term that conveys the playfulness of a little joy on the palate before the main meal. If you find something in these pages that whets your appetite, we encourage you to visit our website ([www.kensingtontours.com/tours/north-america/canada/ontario](http://www.kensingtontours.com/tours/north-america/canada/ontario)), where you'll find a veritable smorgasbord of trips in greater detail as well as a selection of fine festivals, exhibitons and events well worth a visit. Alternatively, if you prefer to speak to an expert, give us a call and one of our travel designers can create an experience just right for you.

Our Ontario experiences are designed to be enjoyed by individuals, couples, families or friends who want to travel on their own but who still wish to take advantage of our well-crafted itineraries, expert trip planning skills and VIP access and services.

Ontario's sophistication also makes it a perfect choice for meeting planners and companies seeking to use unique travel experiences as a means to re-invent corporate retreats, inspire their top performers, and recognize their best clients.

However you choose to sample the richness and diversity of Ontario's bounty, we're confident that you will come away amazed by the quality, sophistication, creativity and uniqueness of the menu of available experiences. Welcome to our back yard, a region on the verge of becoming the newest "next big thing" in high end travel.

Warm Regards,  
Kensington Tours' Team
